

## TOWN BANTER

### TOWN 1

**LUCIA**

We should get Ferrum to have a look at your sword.

**ADEL**

Why, what's wrong with it?

**LUCIA**

I mean, it's a little basic, isn't it?

**ADEL**

It's a sword.

**LUCIA**

It could be a cooler sword.

**ADEL**

I don't understand you sometimes.

(End)

### TOWN 2

**ADEL**

Why are the roofs all blue?

**LUCIA**

An excess of blue paint.

**ADEL**

...How?

**LUCIA**

Do you really wanna know?

**ADEL**

1. Yes.
2. No.

**LUCIA**

1. When we first landed here and saw that forest, Heschier wanted to paint the entire forest blue. For fun, I suppose. We all told him not to, but he ordered a ton of buckets of the stuff anyway. Soon enough, we had a ship in port carrying over a hundred gallons of blue paint, and we had to do something with it so he didn't start painting the forest, and, well, I think you get the picture.
2. Good. I don't want to tell you.

(End)

### TOWN 3

**LUCIA**

How's Mama doing?

**ADEL**

Fine. She took up embroidery. Wishes you'd send more letters.

**LUCIA**

What happened to crocheting? And the lute?

**ADEL**

Crocheting is boring and the lute hurts her fingers, apparently. Don't change the subject from the letters.

**LUCIA**

I know, I know. I just get busy.

**ADEL**

You might, but Mama doesn't.

**LUCIA**

We should bring her out here sometime. Show her around Eventyr, introduce her to the people. She'd like it here.

**ADEL**

You know she gets too seasick.

(End)

### TOWN 4

**ADEL**

How'd you guys even clear all this land out, anyway?

**LUCIA**

You'd be surprised what Ferrum and Pansy can do when they combine forces. Also, Sister Margaret is way stronger than she looks.

(End)

#### TOWN 5

**LUCIA**

Remember when we were kids, and I used to talk about grand adventures in far-off places, and you'd call me stupid?

**ADEL**

...Yes.

**LUCIA**

Who's laughing now?

**ADEL**

Please. Don't.

(End)

#### TOWN 6 - Dialogue Exhausted

**LUCIA**

There are more interesting things to do around here than talk to me, Adel.

(End)

#### FOREST BANTER

##### FOREST 1

**LUCIA**

I hate these things.

**ADEL**

What, the monsters?

**LUCIA**

No, the grass. Of course the monsters!

**ADEL**

1. Haha, you're just weak.
2. Don't you have a knife?
3. That's why I'm here—to take care of them. Duh.

**LUCIA**

1. You shut your mouth! You're the worst! I'm not weak, I'm physically challenged!
2. It's a plant knife, stupid.
3. That's... really nice of you. What do you want?

(End)

FOREST 2

**LUCIA**

They didn't have forests like this back home. These trees are all so ancient.

**ADEL**

Home didn't have monsters, either.

**LUCIA**

Sure it did.

**ADEL**

The closet monster doesn't count. It wasn't real.

**LUCIA**

That's what you think.

(End)

FOREST 3

**LUCIA**

I miss my shop. I can't wait to make more poultices.

**ADEL**

You've certainly come a long way from your mud potions.

**LUCIA**

Ah, my humble beginnings! Mud potions and fern bandages. I healed many a scrape with those.

**ADEL**

"Healed."

**LUCIA**

You hush.

(End)

#### FOREST 4

**ADEL**

You ever think about being a florist instead?

**LUCIA**

...Why? Just. Why?

**ADEL**

Y'know. Flowers.

**LUCIA**

No.

(End)

#### FOREST 5

**LUCIA**

What's with the hat?

**ADEL**

Do you not like it?

**LUCIA**

I mean, it's kind of average—

**ADEL**

No. Shut up about my hat. I like it, and that's final.

**LUCIA**

Okay, okay.

**ADEL**

I. Like. It.

**LUCIA**

It's not bad! I never said it was bad. It's a perfectly fine hat.

(End)

FOREST 6 - Dialogue Exhausted

**LUCIA**

I'm too tired to talk to you right now. Let's just keep going.
